HP LaserJet P1505 Printer

HP LaserJet P1505n
Printer

Ideal for cost-conscious individuals or small workteams who need a durable, high-performance laser printer for creating professional-quality business documents.

Save time and improve productivity with performance-oriented printing.

Get a first printed page in half the time¹, less than 6.5 seconds from Powersave mode, thanks to No-wait Instant-on Technology. Create documents with bold, crisp text and sharp images at print speeds of up to 23 ppm. Process complex files quickly with a 266 MHz processor and up to 32 MB memory. The host-based print driver handles print jobs using your PC's processor and memory, rather than the printer's, which lets you print more complex jobs without the cost of additional printer memory.

Get impressive printing technology and great functionality at a low purchase price.

Paper handling features include an adjustable 10-sheet multipurpose input slot for special media and 250-sheet input tray for standard paper. Enjoy greater cost-efficiency: basic 10/100 networking² enables easy printer sharing. See clear detail, crisp text, sharp lines, and many shades of grey with HP FastRes 1200 dpi effective print quality and HP's Ultraprecise toner formulation.

Extremely easy to set up, use, and maintain.

Hi-Speed USB 2.0 connectivity helps you quickly set up, use and maintain the printer. Interactive intelligence built into the Original HP print cartridge optimises print quality and provides alerts when supplies are low, making supplies management easy. Get instant access to printer status, alerts, configuration settings and more with HP Easy Printer Care Software. One-door access to the easy-to-install HP LaserJet Print Cartridge means installation and replacement are simple and convenient.

¹ Quality Logic studies show the typical print job is 3-5 pages

Instant-on Technology enables the first page to print faster when a printer is coming out of Powersave mode so the job is done sooner

² With HP LaserJet P1505n Printer only.
